

Name: _____

- LO 1.** Sketch a **bar plot** by hand from a small dataset.
 - LO 2.** Explain and construct **histogram** and **density plots** from a small dataset by hand.
 - LO 3.** Explain and construct a **line of best fit** for a scatter plot by hand.
 - LO 4.** Explain and construct a **smoothing curve** for a scatter plot by hand.
 - LO 5.** Apply **ggplot2** layers to implement bar plots, histograms, density plots, line plots, best fit lines, and smoothing curves in R.
-
